Harmony In Marriage

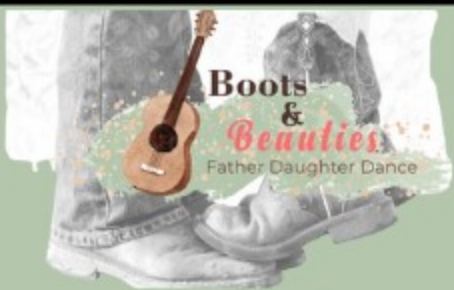

Becoming One in Christ

Harmony In Marriage

Apr 10 - May 29

8 Week Program

On March 19th, over 90 area Pastors gathered in the Freedom Hall to hear Kevin Palau, President of the Palau Association, share stories of how other cities are being impacted for the Gospel by CityFest Movements. 20 years ago in Reno, 145 churches came together for a Palau Festival where we saw 30,000 people reached with the Good News of Jesus. Now it is time to reach even more people in Christ. CityFest Movements is planning a festival here in Reno for 2025. You can find more information on their website at: www.cityfestmovements.org/reno.

The annual Father-Daughter Dance was attended by over 80 dads and daughters on March 9th. The event had a Western theme and showcased a decadent dessert bar, music and dancing, dance lessons, and games and it even included a photo opportunity. As evidenced by all the smiles, everyone had a memorable night out.

We wish to thank the Men's Ministry for selecting Freedom Hall to hold the event in and the fantastic support team who worked hard to make it special: Ree Weber, Alli Spicer, Liz Blackley, Jenn Lewis, Pam Roy, Gayleen Perreira, Lura Raifaisen and Jess Simco.

MARRIAGE ENCOUNTER

June 7-9

Testimony

The Marriage Encounter was amazing! So well done!
Every moment was necessary and enjoyable, even through the tears and hard stuff!
I wish this on every couple!! It gave us so much hope with tools to keep working on our marriage.
The connections made were eternal!
Ed and I are signed up for the 8-week Harmony in Marriage class and can't wait!
We hope to serve at the Sept one!
